The Israel Export & International Cooperation Institute

About The Israel Export & International Cooperation Institute (IEICI)

The Israel Export & International Cooperation Institute, a non-profit organization supported by the government of Israel and the private sector, facilitates business ties, joint ventures and strategic alliances between overseas and Israeli companies. Charged with promoting Israel's business community in foreign markets, it provides comprehensive, professional trade information, advice, contacts and promotional activities to Israeli companies, and complementary services to business people, commercial groups, and business delegations from abroad.

Ms. Inbal Natan ■ HLS Business Development Manager
