**THE ISRAEL EXPORT &  
INTERNATIONAL COOPERATION INSTITUTE**

---

The Israel Export & International Cooperation Institute is your premier gateway for doing business with Israeli companies. IEIC's expertise in technology and product scouting, joint ventures and strategic alliances with Israeli companies spans more than half of century.

The Water Sector at the Israel Export Institute promotes the Israeli technological innovation and assists companies in penetrating global markets by providing professional information, drafting business plans, creating business partnerships, assisting in finding business opportunities and business contacts, organizing incoming and outgoing delegations, participating in exhibitions and international conferences around the world and marketing activities

with the support of the commercial attaches and professional consultants around the world.

The Water Sector enjoys the support of Israel NeweTech-national program, let by the Ministry of Economy and Industry. With the assistance of this program the Israel Export Institute enables Israel's water Industry to remain at the global forefront as the leader and developer of new and most advanced technologies.

For more information, please contact:

Ms. Gal Joss

Manager, Water Sector

Ministry of Economy and Industry  
Foreign Trade Administration

---

The Foreign Trade Administration (FTA) at the Israeli Ministry of Economy and Industry, manages and supports Israel's international trade and trade policy by promoting trade and exports, initiating and maintaining trade agreements, attracting and facilitating foreign investments and creating strategic cooperation with foreign companies.

Through our headquarters in Jerusalem together with over 40 economic and trade missions in key financial centers throughout the world, the FTA promotes Israel's economy worldwide.

Israel's economic and trade missions are at the forefront of the Israeli government's efforts to boost our industries in foreign markets. Our team of highly experienced economic representatives and business

consultants provide a wide range of services to Israeli companies and to the international business community.

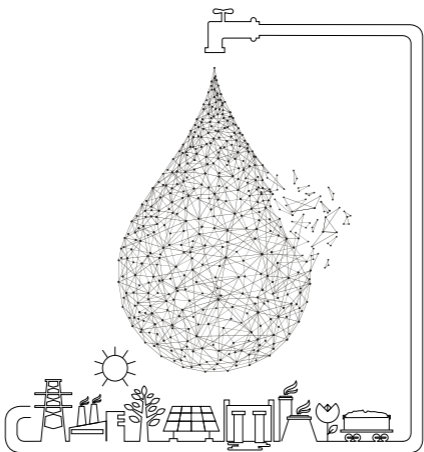

Mr. Yoav Saidel  
Head of Israeli Economic and Trade Mission  
to Singapore  
Tel: +65 6834 9217  
Email: [yoav.saidel@israeltrade.gov.il](mailto:yoav.saidel@israeltrade.gov.il)

---

The National Energy and Water Program, Israel NewTech, was established in 2006 under the leadership of the Ministry of Economy and Industry, with the participation of ten government ministries and official organizations. Israel NewTech focuses on water and energy technologies and provides an infrastructure that encourages the development of technologies in this sector. Israel NewTech helps to advance Israel's blossoming Cleantech sector by supporting academia and research, encouraging implementation in the local market, and by helping Israeli companies succeed in the international arena.

For more information on Israel NewTech, please visit: [www.israelnewtech.gov.il](http://www.israelnewtech.gov.il)

## A.R.I Flow Control Accessories

A.R.I. Flow Control Accessories Founded in 1970, A.R.I. has developed a wide range of products and special software for various applications in water supply (municipal and domestic), sewage, industry, agriculture and landscaping Ltd. is one of the leading companies specializing in protection solutions for liquid conveyance systems; protection from transient pressures and trapped air in pipelines.

Mr. Ami Farhi, Regional Marketing & Sales

Email: [marc@aqwise.com](mailto:marc@aqwise.com)

Website: [www.aqwise.com](http://www.aqwise.com)

## Atlantium Technologies Ltd.

Atlantium Technologies Ltd, established in 2003, provides non-chemical water treatment solutions based on ultraviolet (UV) light & fiber optics. This cost-effective, 3rd-party validated technology takes water safety to levels never before achieved without chemicals or heat. Innovative Hydro-Optic UV units have integrated software for reliability, measurement & control and proven protection against viruses & microbes

Mr. Michael Argaman, Sales & Marketing  
Director APAC

Cell Phone: +972 52 6805708

Email: [michaela@atlantium.com](mailto:michaela@atlantium.com)

Website: [www.atlantium.com](http://www.atlantium.com)

## Claroty

---

Claroty is the world's leading provider of Industrial Control System Cyber Security Solutions.

Mr. Gregory Chng, SEA Business Manager

Cell Phone: +65 9387 3740

Email: [Gregory.C@claroty.com](mailto:Gregory.C@claroty.com)

Website: [www.Claroty.com](http://www.Claroty.com)

## Filtersafe

---

With over three decades experience in automatic water filtration, Filtersafe filters are equipped with innovative technology and the know-how to integrate successfully into industrial water applications.

Filtersafe offers products with proven capabilities to deal with even the most stringent conditions in;

- Oil & Gas Sectors
- Power & Energy Sector
- Water reclamation & Desalination
- Municipal Water Treatment

Ms. Miyan Mears-Dagan, VP Global Business Development

Cell Phone: +972 50 3500226

Email: [miyan@filtersafe.net](mailto:miyan@filtersafe.net)

Website: [www.filtersafe.net](http://www.filtersafe.net)

## **MAAGAN FILTRATION**

---

Maagan Filtration offers the only automatic filtration solution down to 1 micron. Removal rates up to 98% at highly operational efficiencies and affordable costs sets new standards for 1 to 10 micron filtration. Excellent alternative to cartridge and bag filters due to its self-rinsing abilities, and superior filtration than media / sand filters, with significantly less water yield during backwash.

Mr. Uria Berchman, CEO

Cell Phone: +972 52 3234909

Email: [uria@mmm.org.il](mailto:uria@mmm.org.il)

Website: [www.maaganfiltration.com](http://www.maaganfiltration.com)

## Netafim

---

Netafim with its Singaporean agent Netatech specialize in water solution and Greenhouse technology for food production. Netafim market leader with its roots in Israel and partnerships throughout the world offers, Netafim quality products, cost effective engineering solutions and agronomic support for projects throughout the region.

Mr. Sam Tidhar, South East Asia Director

Cell Phone: +61 418 991 649

Email: [Sam.Tidhar@netafim.com](mailto:Sam.Tidhar@netafim.com)

Website: [www.netafim.com](http://www.netafim.com)

## Nisko Telematics

Nisko is the first company that by innovative technology, offers comprehensive solution based on WiFi, BLE & GPRS, by moving to standard communication, we can release the utility from being handcuffed to single supplier with very limited performances. our cloud-based AMI software collects all the information coming from the different meters and process it to a managing information that enables full control of the meters net.

Mr. Daniel Chrust, VP Marketing
