THE ISRAEL EXPORT &  
INTERNATIONAL COOPERATION INSTITUTE

connecting  
to the  
future  
with  
Smart Energy

**Israeli Smart Energy Technologies  
at European Utility Week 2017**

October 3-5 | Amsterdam, The Netherlands  
RAI Amsterdam | Stands: 2D27 and 2D31

## **THE ISRAEL EXPORT & INTERNATIONAL COOPERATION INSTITUTE**

### **The Israel Export & International Cooperation Institute**

The Israel Export and International Cooperation Institute is your premier gateway for doing business with Israeli companies. Established and funded by the government and the private sector, IEICI's expertise in technology and product scouting, joint ventures and strategic alliances with Israeli companies spans more than half a century.

Whatever your field is, IEICI offers access to relevant businesses and government resources. With expertise in Israel's leading Industries, IEICI will provide the information you need to connect, negotiate and do business.

Cleantech, Energy & Environmental Technologies Department has an intimate acquaintance with the Israeli Cleantech industry exporters, which includes more than 400 companies, and about 200 start-ups.

## THE ISRAEL EXPORT & INTERNATIONAL COOPERATION INSTITUTE

It has a proven ability to identify and match suitable potential business partners, organizing one-on-one business meetings and is a focal point for contacts with the government as well as with the industry.

**For more information:** [www.export.gov.il/eng](http://www.export.gov.il/eng)

**Mr. Tal Hadad, Manager**

**Cleantech Sector**

**Tel: +972 3 5142846**

**E-mail: talh@export.gov.il**

**Mr. Jonathan Gutman, Marketing Coordinator**

**Cleantech Sector**

**E-mail: jonathang@export.gov.il**

## The National Energy and Water Program

Israel NEWTech was established in 2006 under the leadership of the Ministry of Economy and Industry, with the participation of ten government ministries and official organizations. Israel NEWTech focuses on water and energy technologies and provides an infrastructure that encourages the development of technologies in this sector.

**For more information on Israel NEWTech:**

## Government of Israel Embassy of Israel in the Netherlands

### **The Israeli Economic Mission to The Netherlands**

The role of the Economic and Commercial Department at the Israeli Embassy in the Hague is to promote business and trade relations between Israel and the Netherlands. We support this mission by promoting Business Relations, Trade, Investments, Delegations and cooperation between the two business communities. The Economic Department encourages meetings between business relations by offering matchmaking services to Israeli companies who aim to do business in the Netherlands or Europe.

Afcon Control & Automation

Software & Electronics Division

Afcon Software, a division of Afcon Control & Automation Ltd., is a leading global provider of software solutions and services for the smart management of Control & Automation systems in the age of Digital Transformation. We design, develop, market and deploy advanced software solutions for Command and Control of automation systems, SCADA/HMI solutions and IoT deployments – all based on the most advanced technologies.
