The Israel Export and International Cooperation Institute is your premier gateway for doing business with Israeli companies. Established and funded by the government and the private sector, IEICI's expertise in technology and product scouting, joint ventures and strategic alliances with Israeli companies spans more than half a century. Whatever your field is, IEICI offers access to relevant businesses and government resources. With expertise in Israel's leading industries, IEICI will provide the information you need to connect, negotiate and do business.
